Hi Riley Salladay,

Thanks for your registration on 9/28/2026. Here is your total:

Registration fee	\$5.00
Guest meal tickets cost	$1 \times$ \$5.00
T-shirt cost	\$20.00
Total	\$30.00

If payment is completed by 11/31/2026, your total is $\$30.00 \times 0.9 = \$27.00$. For registrations after 1/31/2026, we will try to accomodate, but might be rejected depending on arrangements for food and t-shirts.

Here are the payment options:

- You can pay by Venmo using the QR code on the right. In the note/memo, put down HSPC and your name.
- You can pay cash in person on campus. You would need to get in touch with one of us.
- You can pay by cash or by Venmo on the day of the contest. However for payment on the day of the contest, registration fee and meal tickets are \$7.00 each and a T-shirt is not guaranteed.

Note that we have support from Columbia College for 100 participants. We want the event to be a success and a valuable experience for as many high school students as possible. Therefore we want a large turnout. If you change your mind, please inform us ASAP to cancel your registration so that other high school students can attend the event.

You can request for a full refund by emailing us. The deadline for request of refund is 5PM, 1/31/2026.
