Hi Riley Salladay,

Thanks for your registration on 9/28/2026. Here is your total:

Registration fee	\$5.00
Guest meal tickets cost	$1 \times$ \$5.00
T-shirt cost	\$20.00
Total	\$30.00

If payment is completed by 11/31/2026, your total is \$30.00 $\times$ 0.9 = \$27.00. For a registration after 1/31/2026, we will try to accommodate, but it might be rejected depending on arrangements for food and t-shirts.

Here are the payment options:

- You can pay by Venmo using the QR code below. In the note/memo, put down HSPC and your name.
- You can write a check payable to Yihsiang Liow and mail it to:
  Dr. Yihsiang Liow
  Columbia College
  1001 Rogers St.
  Columbia, MO 65216
- You can pay cash in person if you are near to us. Please email us to meet on campus.
- You can pay by cash or by Venmo on the day of the contest. However for payment on the day of the contest, registration fee and meal tickets are \$7.00 each and a T-shirt is not guaranteed.

Note that we have support from Columbia College for 100 participants. We want the event to be a success and a valuable experience for as many high school students as possible. Therefore we want a large turnout. If you change your mind, please inform us ASAP to cancel your registration so that some other high school student can attend the event (if at all).

You can request for a full refund by emailing us. The deadline for request of refund is 5PM, 1/31/2026.
